

# XI International Summer School on Rhine-Rivers

August and September 2024 | Technical University of Darmstadt

## Creating River\_Space

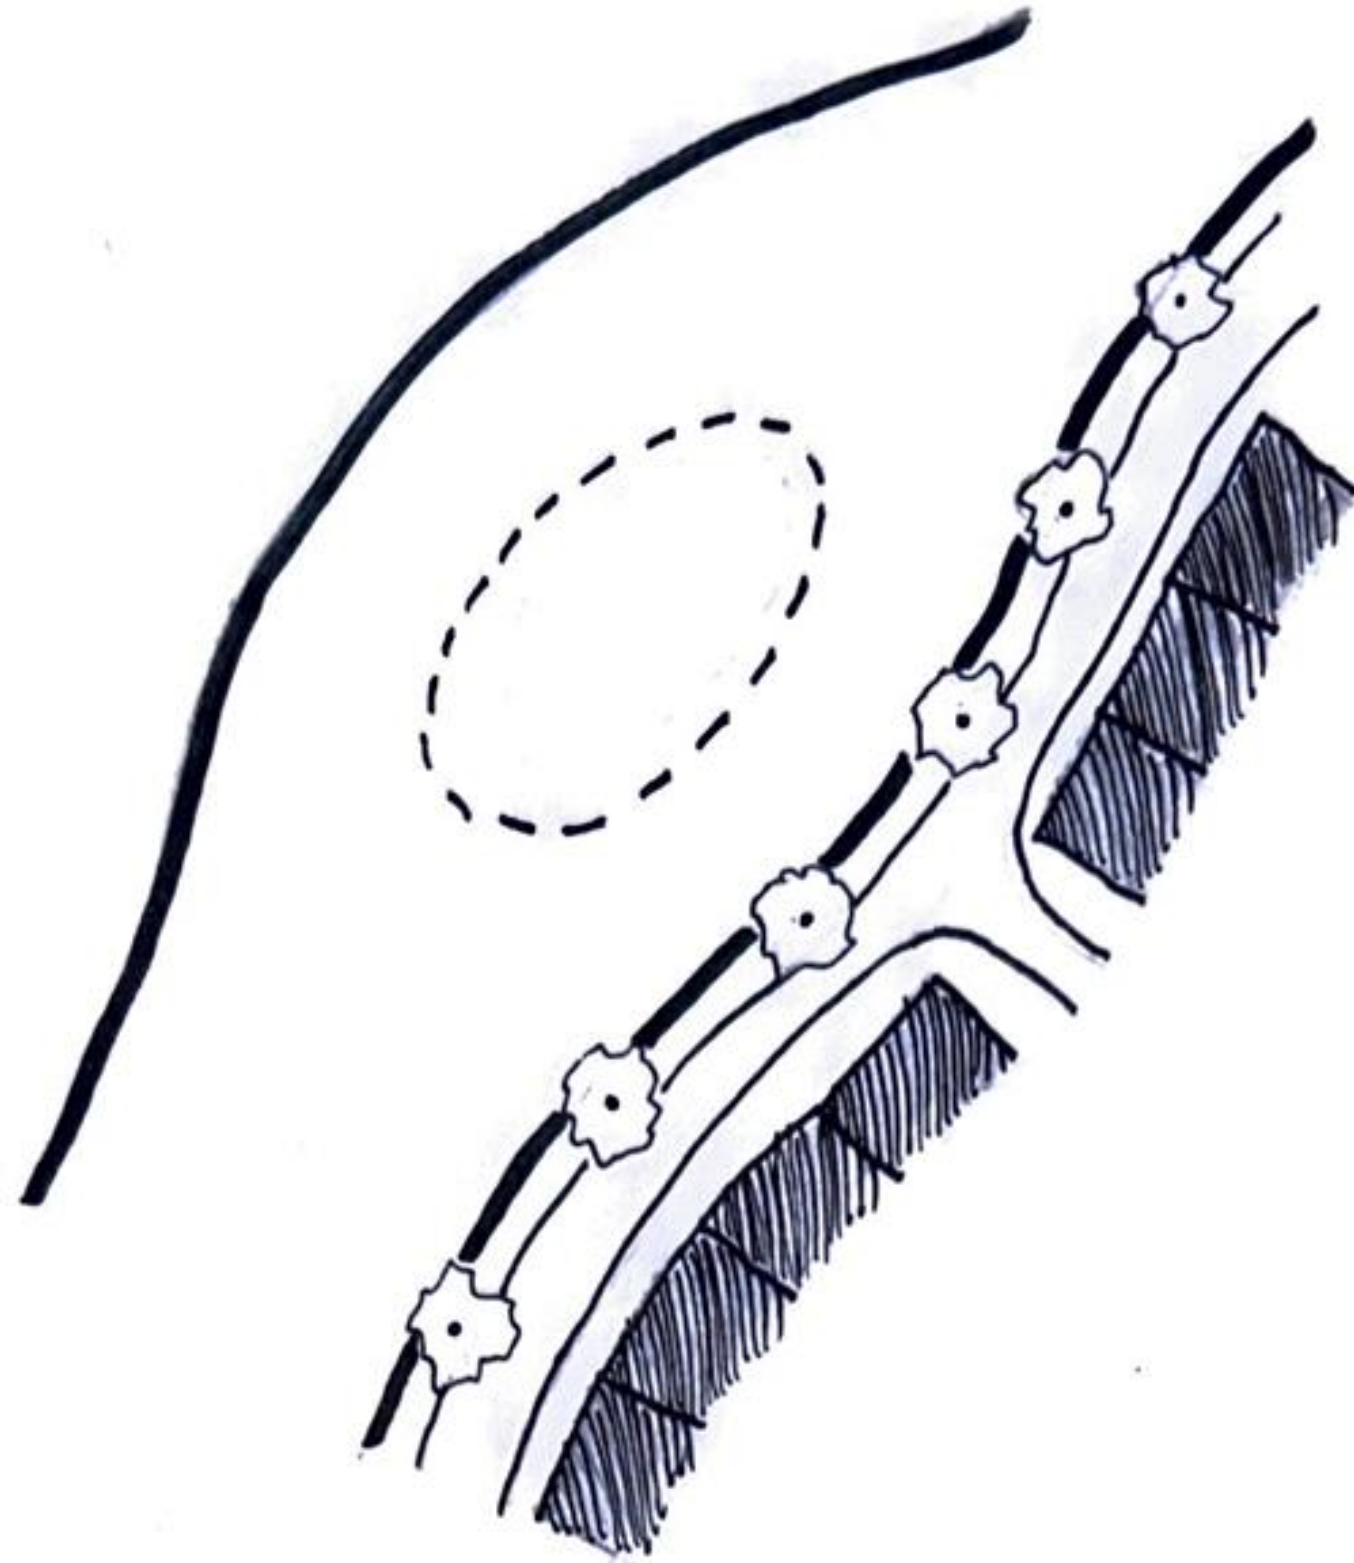

## Wave hello to... URBAN SPACES THAT GO WITH THE FLOW

Group 1

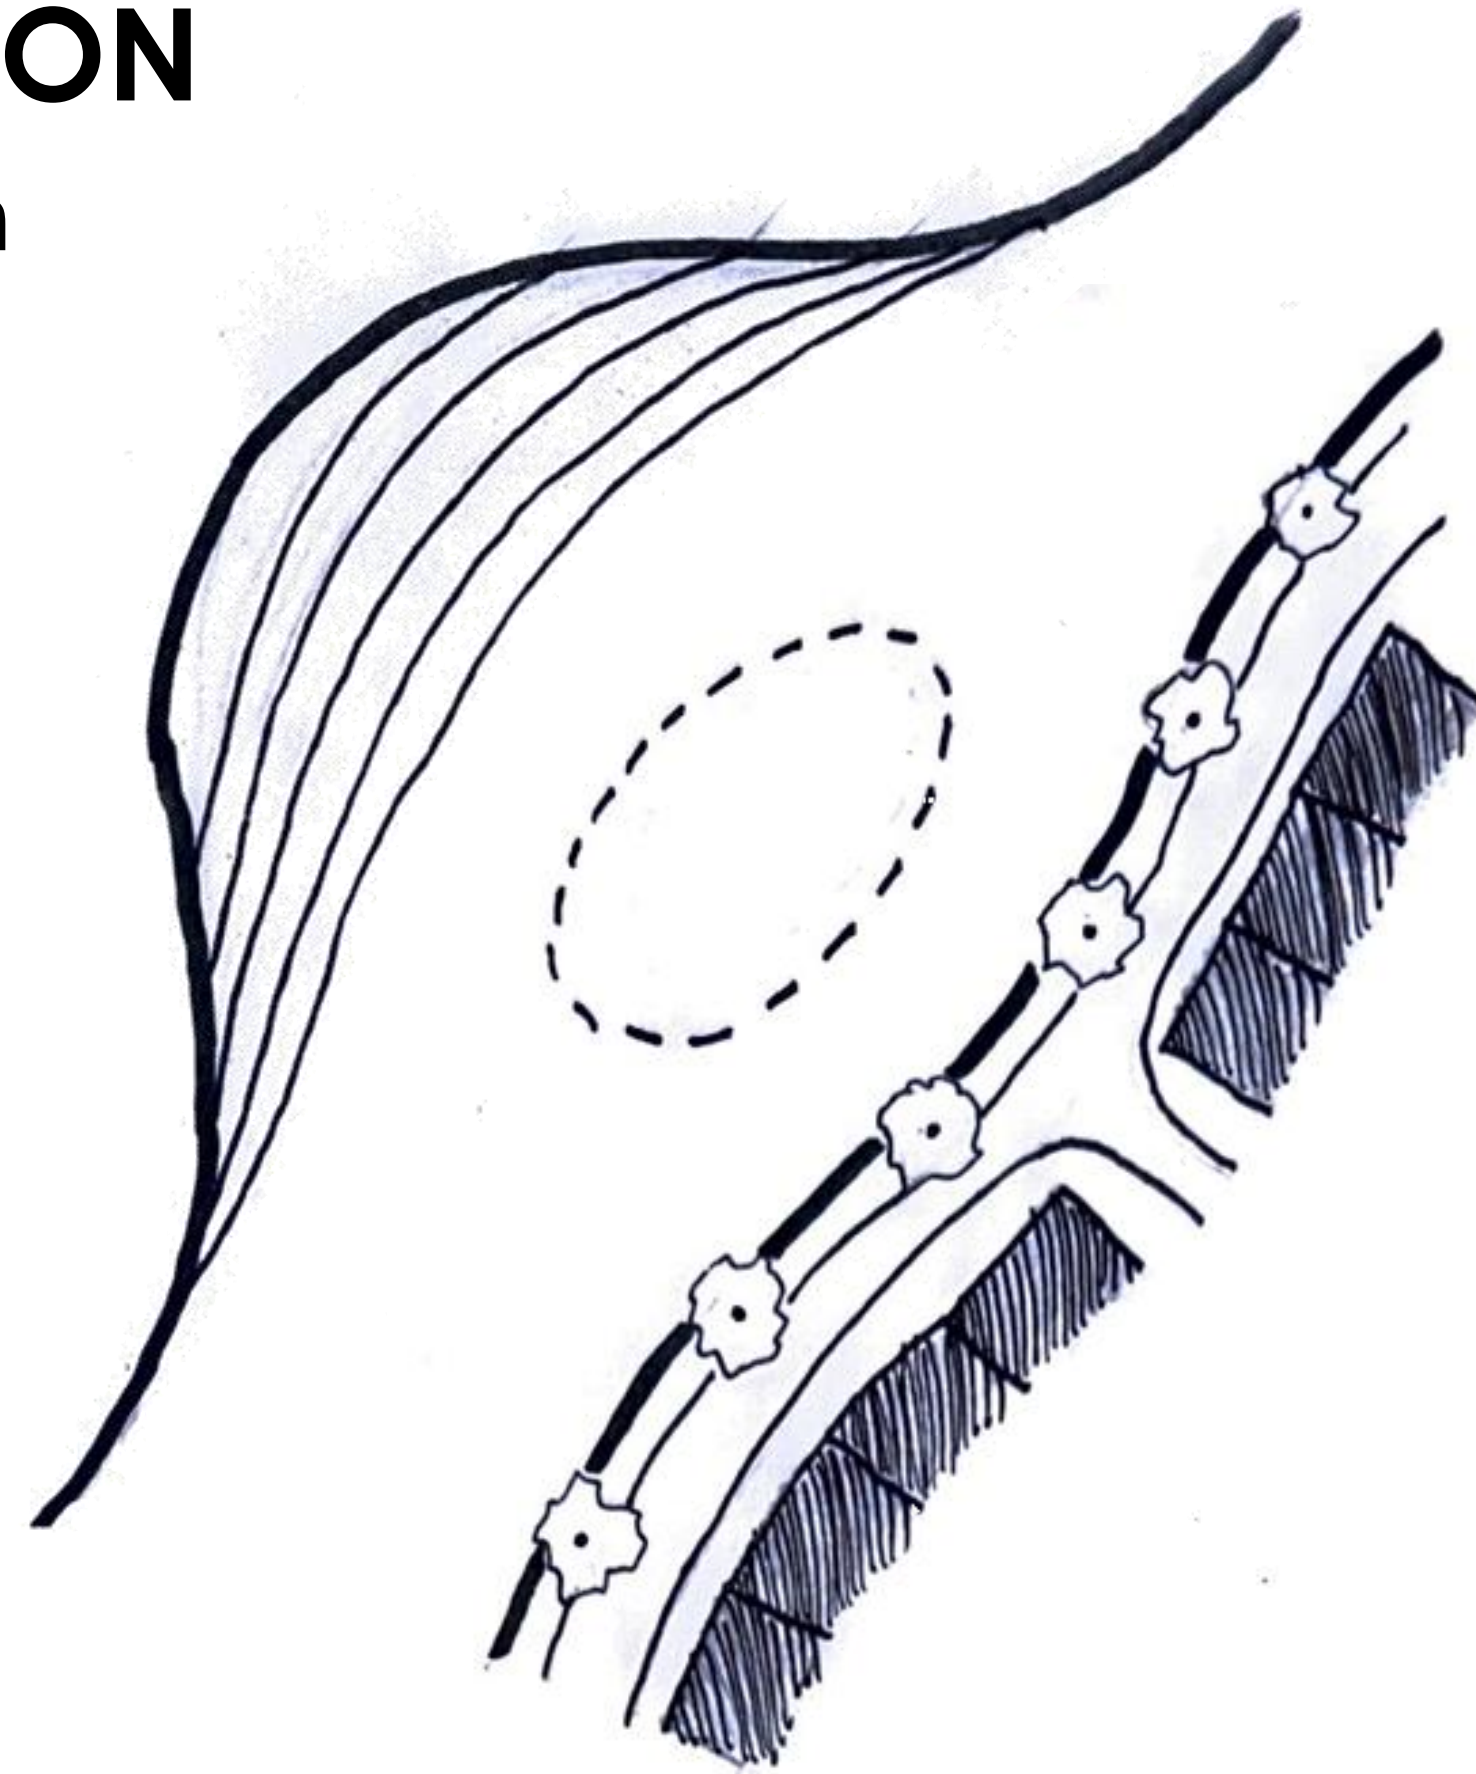

BLANSJAAR Max  
DE MARTINO Arianna  
DI MICHELE Sara  
FISCHEDIK Tillmann  
GÜLTEKIN Aysenur  
MAYER Laura  
MICHEL--BASTIEN Gaïa

# CONCEPT SITUATION

spatial expansion

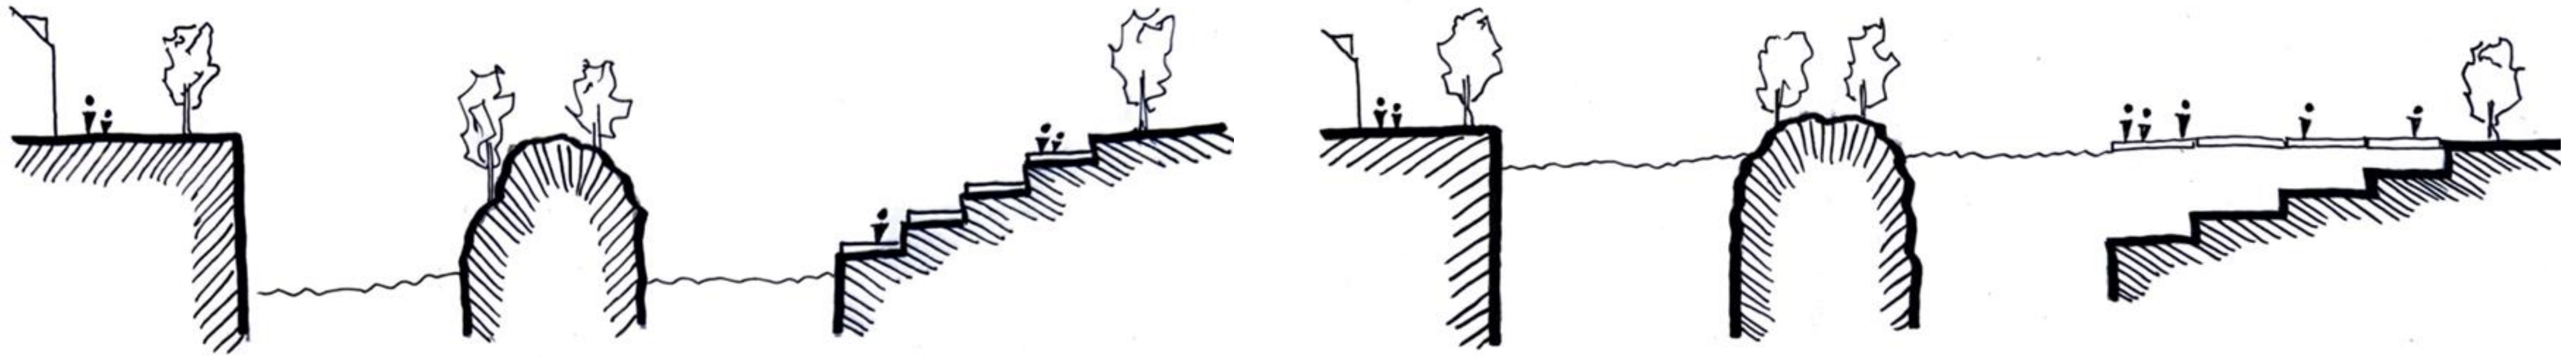

current situation

new situation

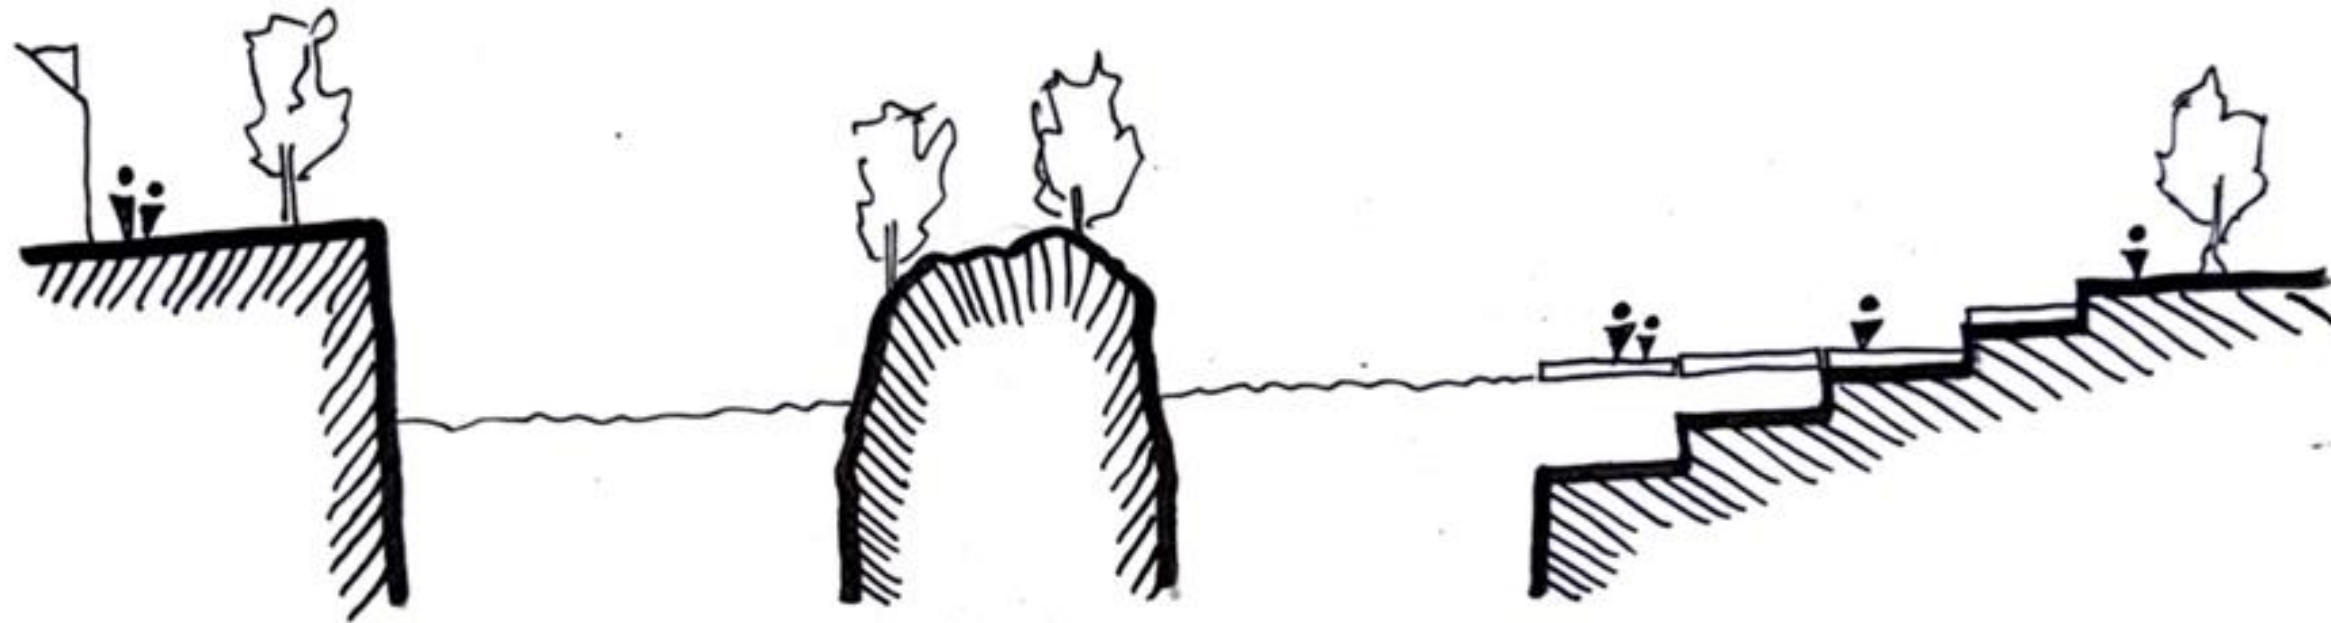

# CONCEPT SECTIONS

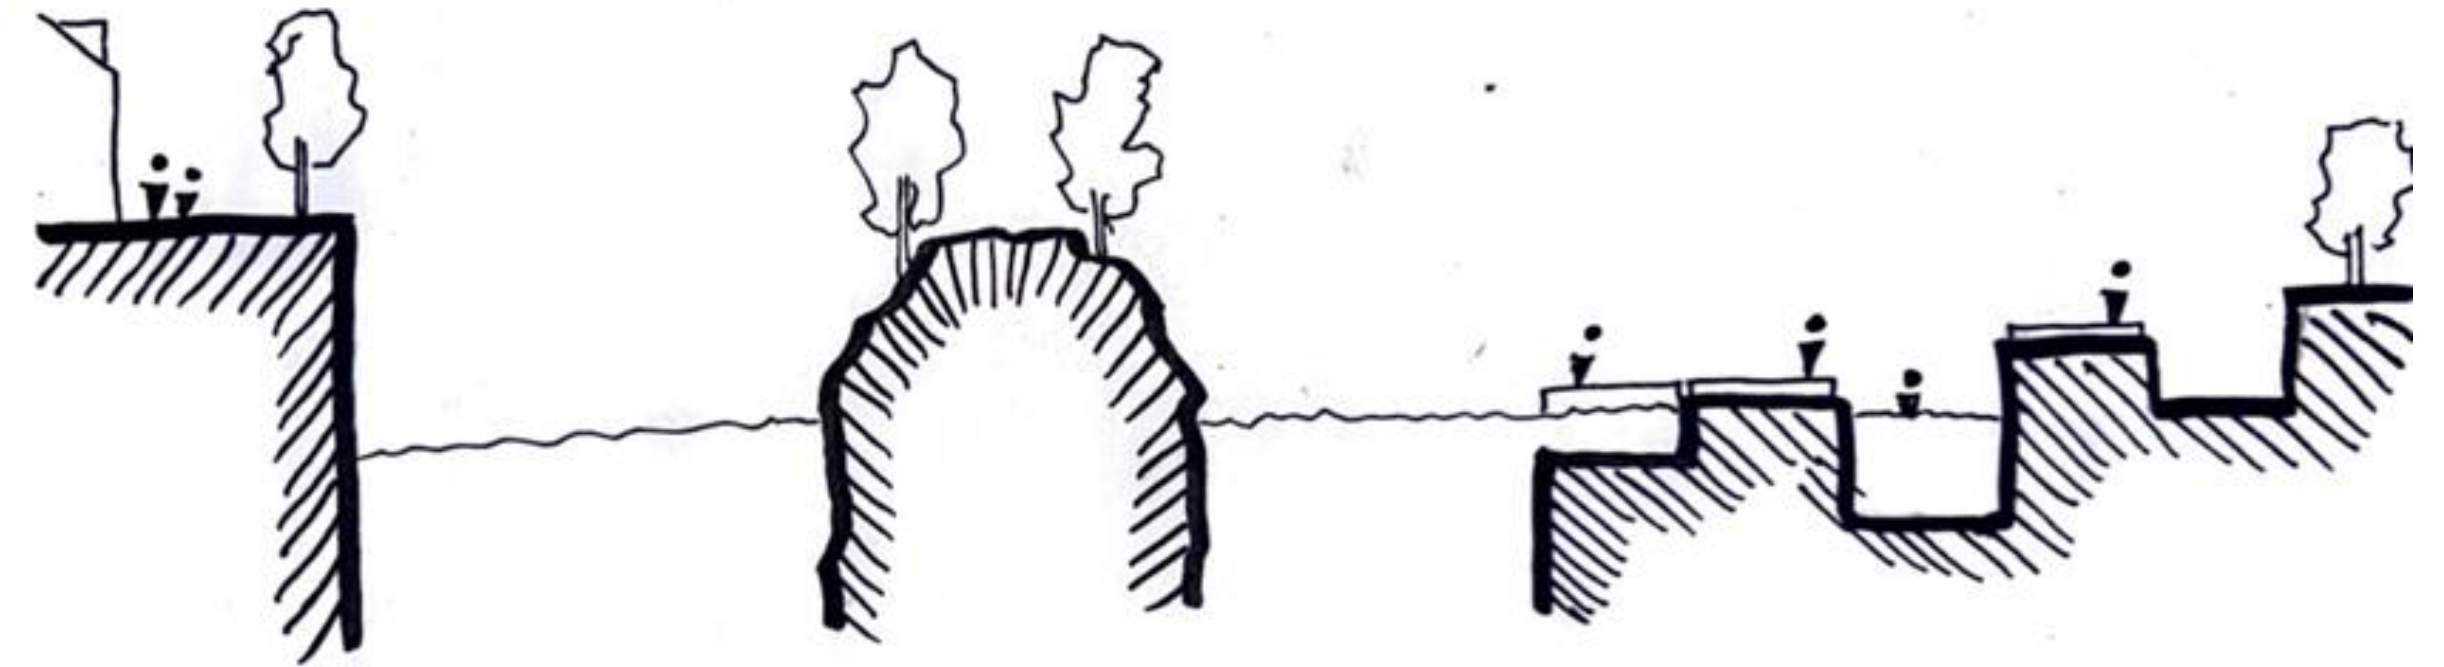

normal water level

high water level

# CONCEPT SECTIONS

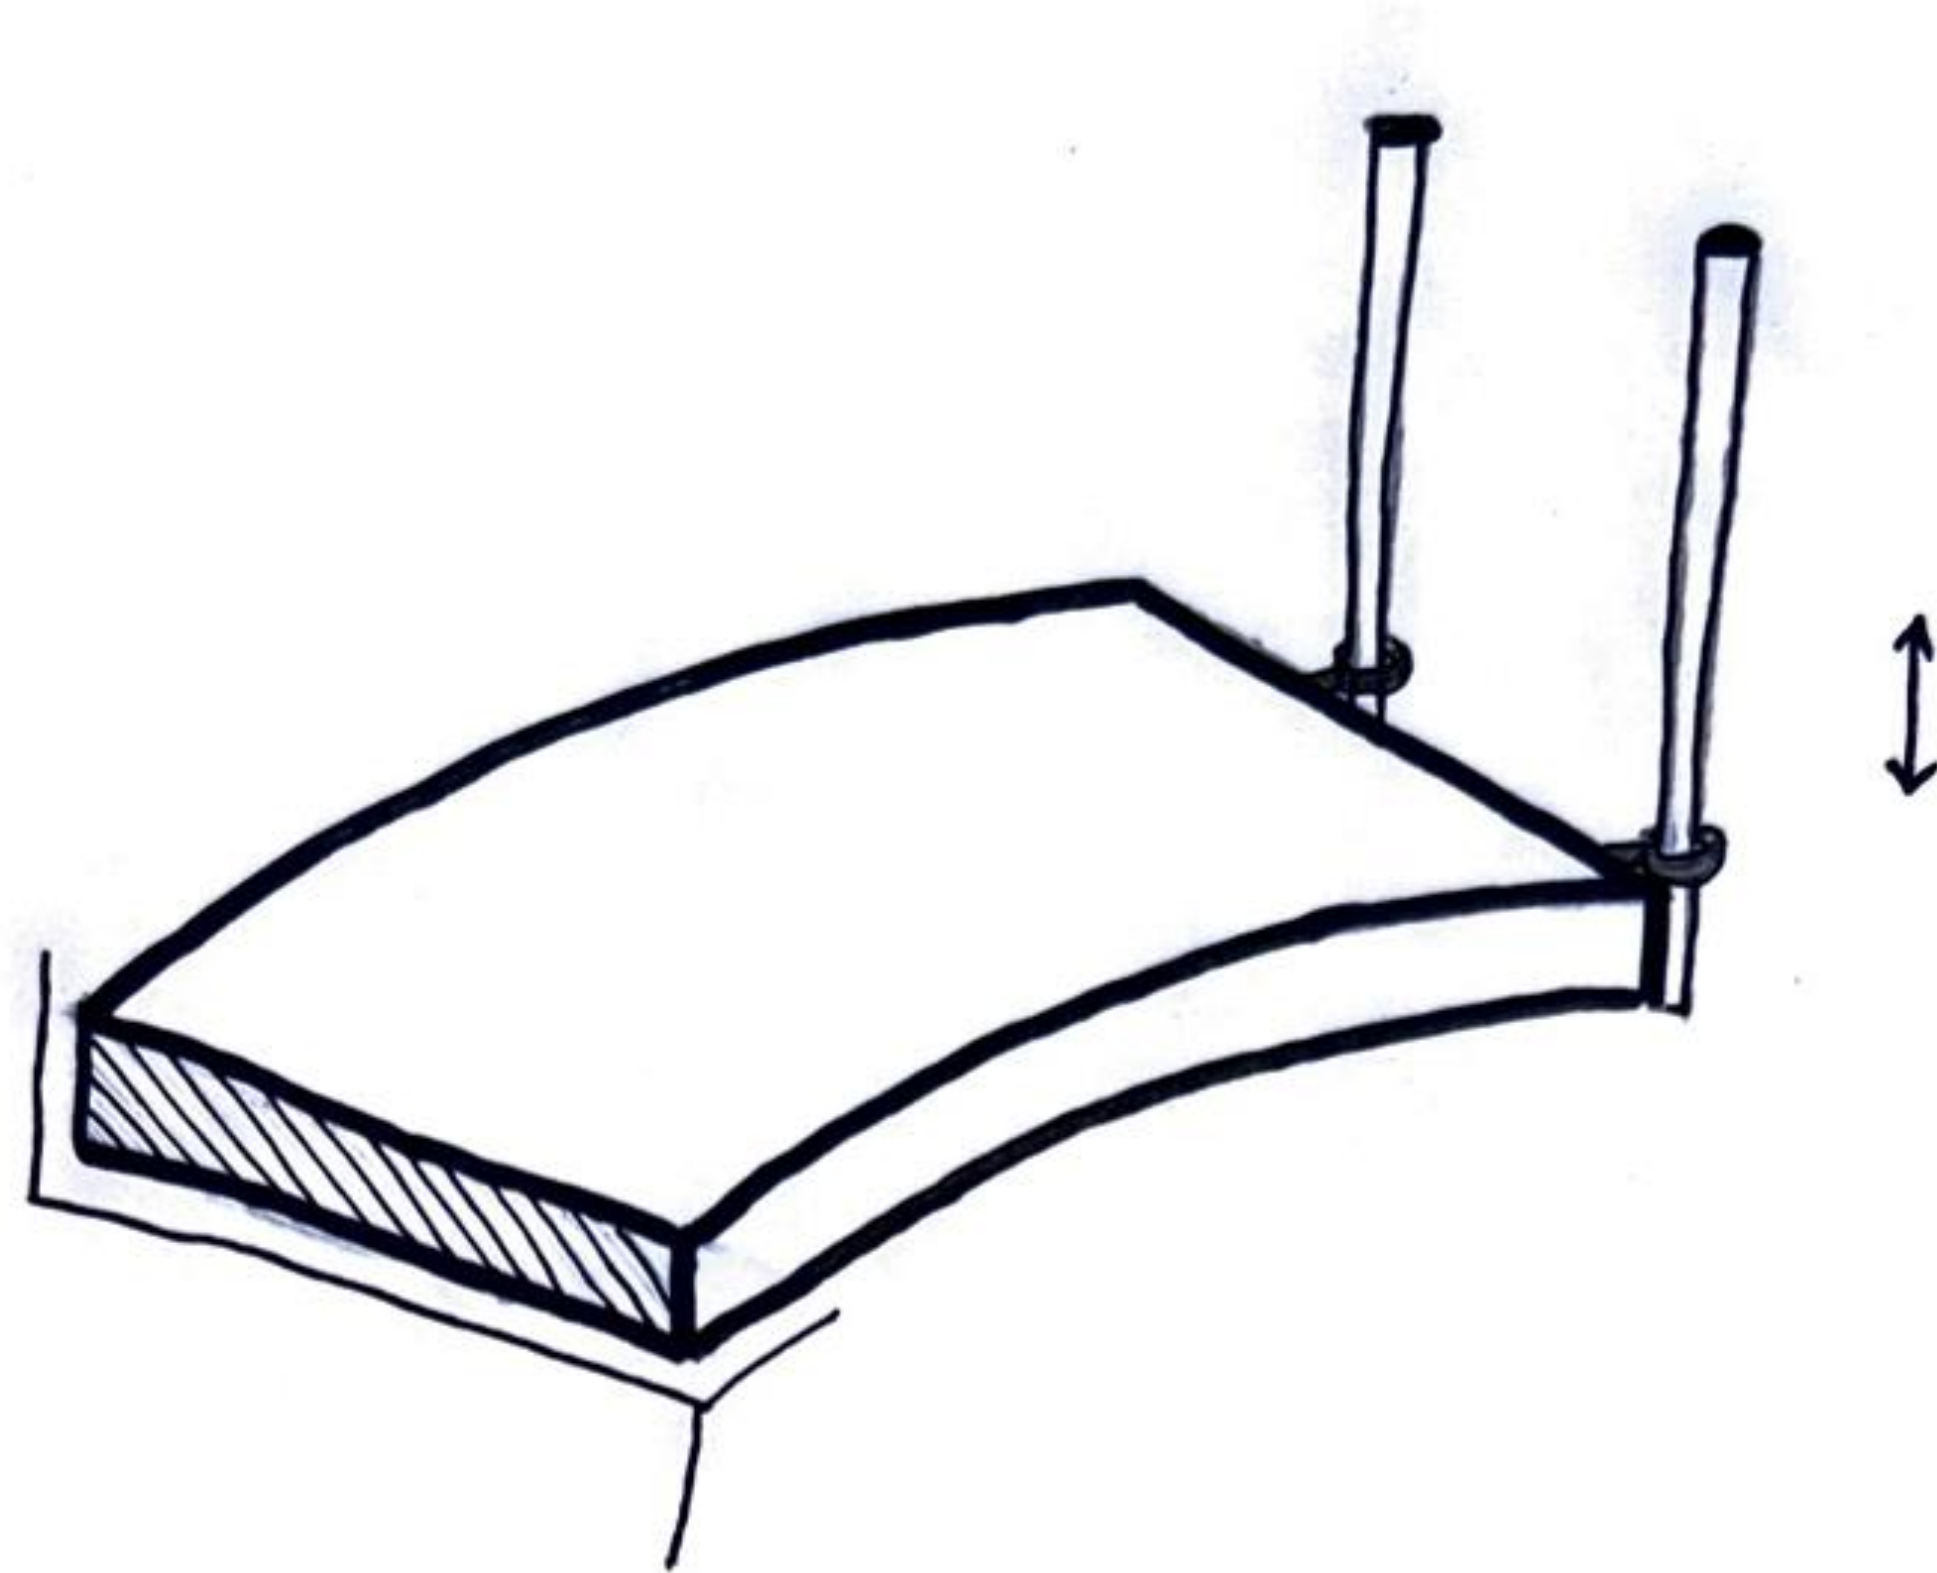

medium water level

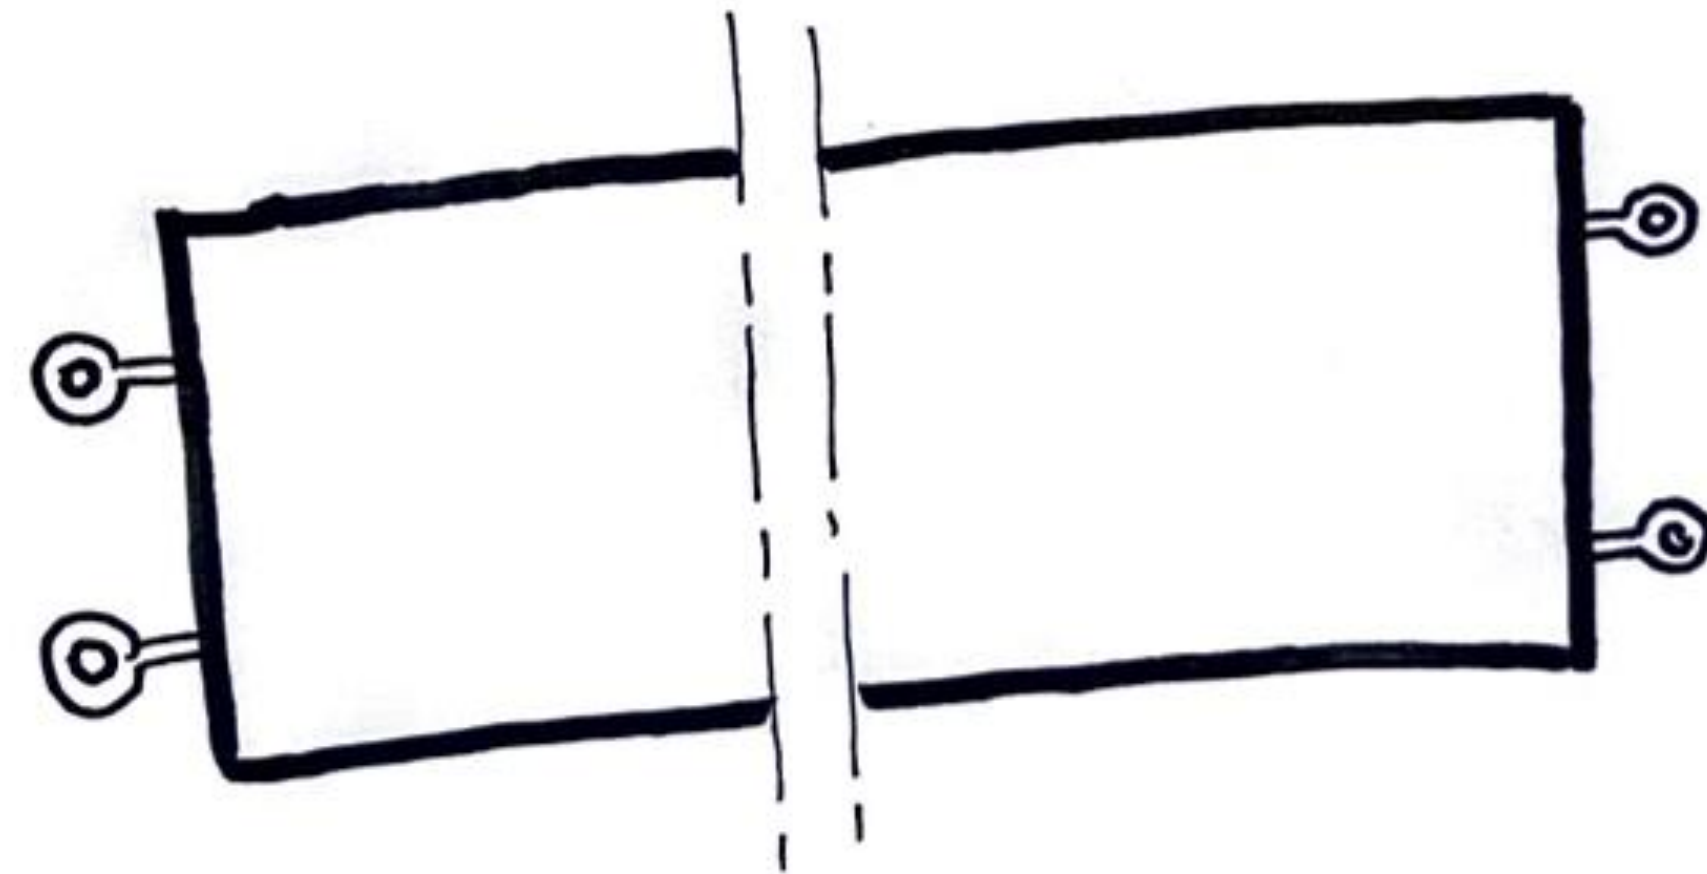

alternative concept

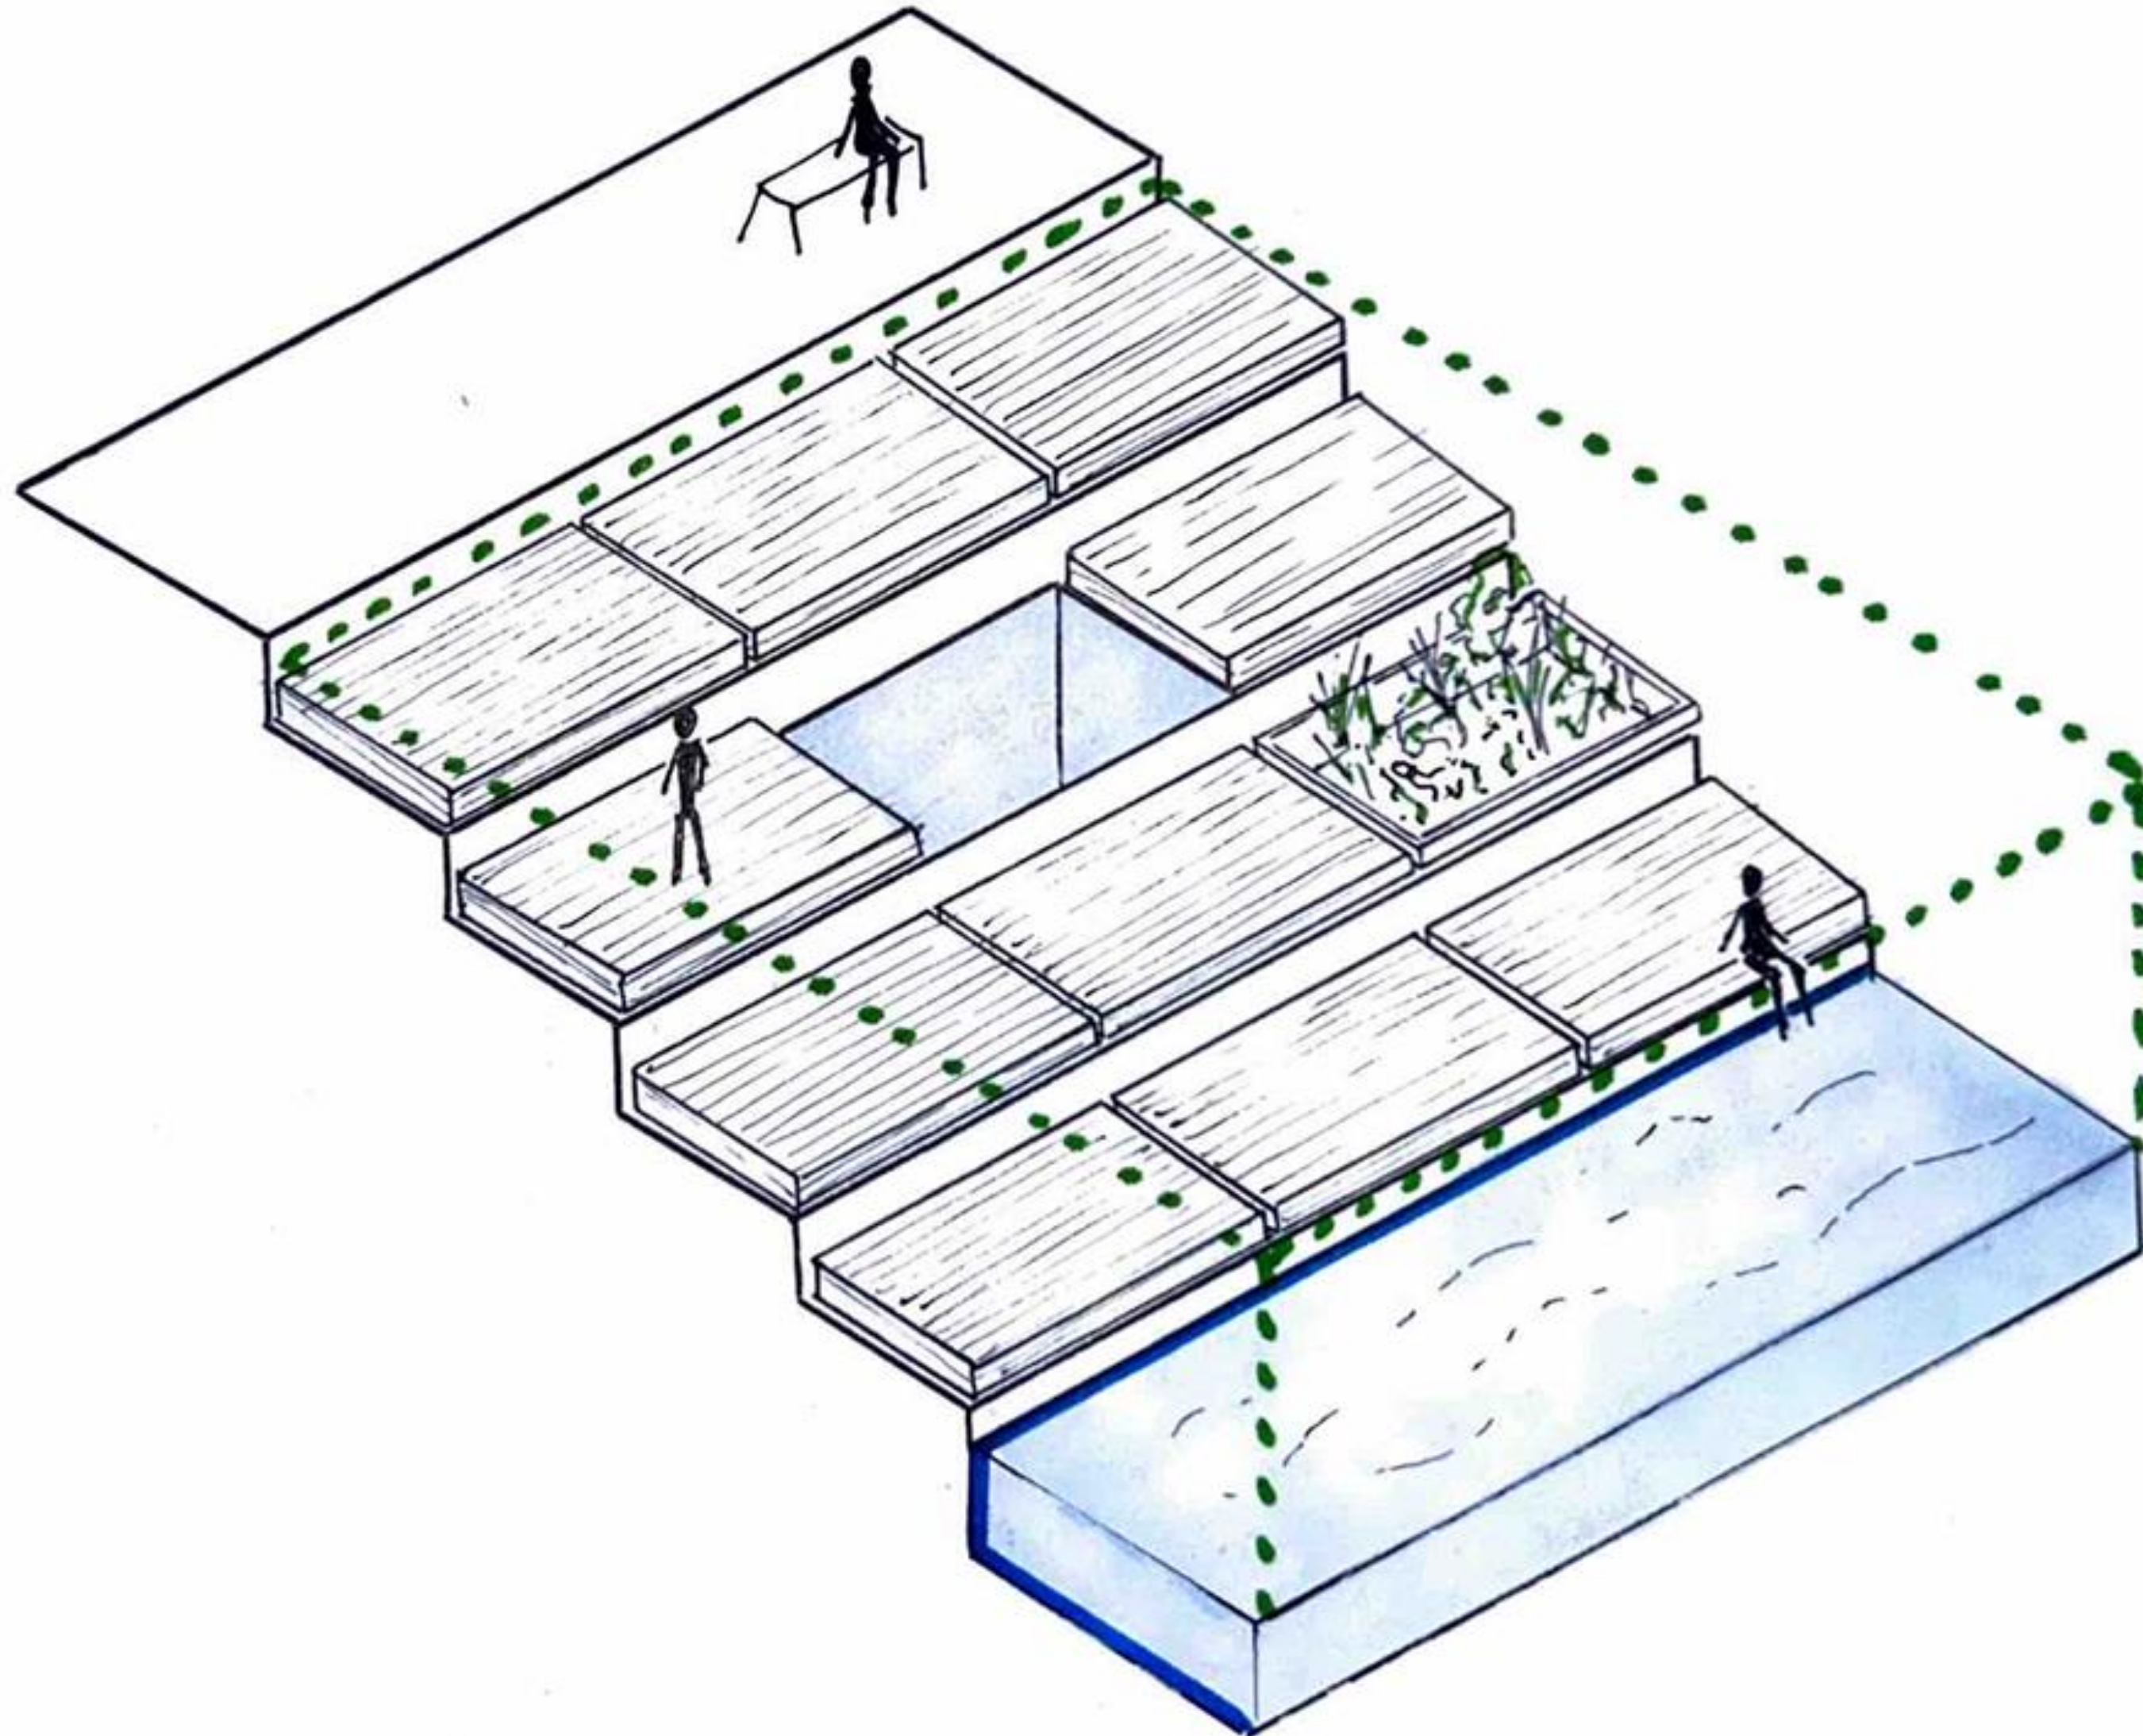

# CONCEPT FLOATSYSTEM

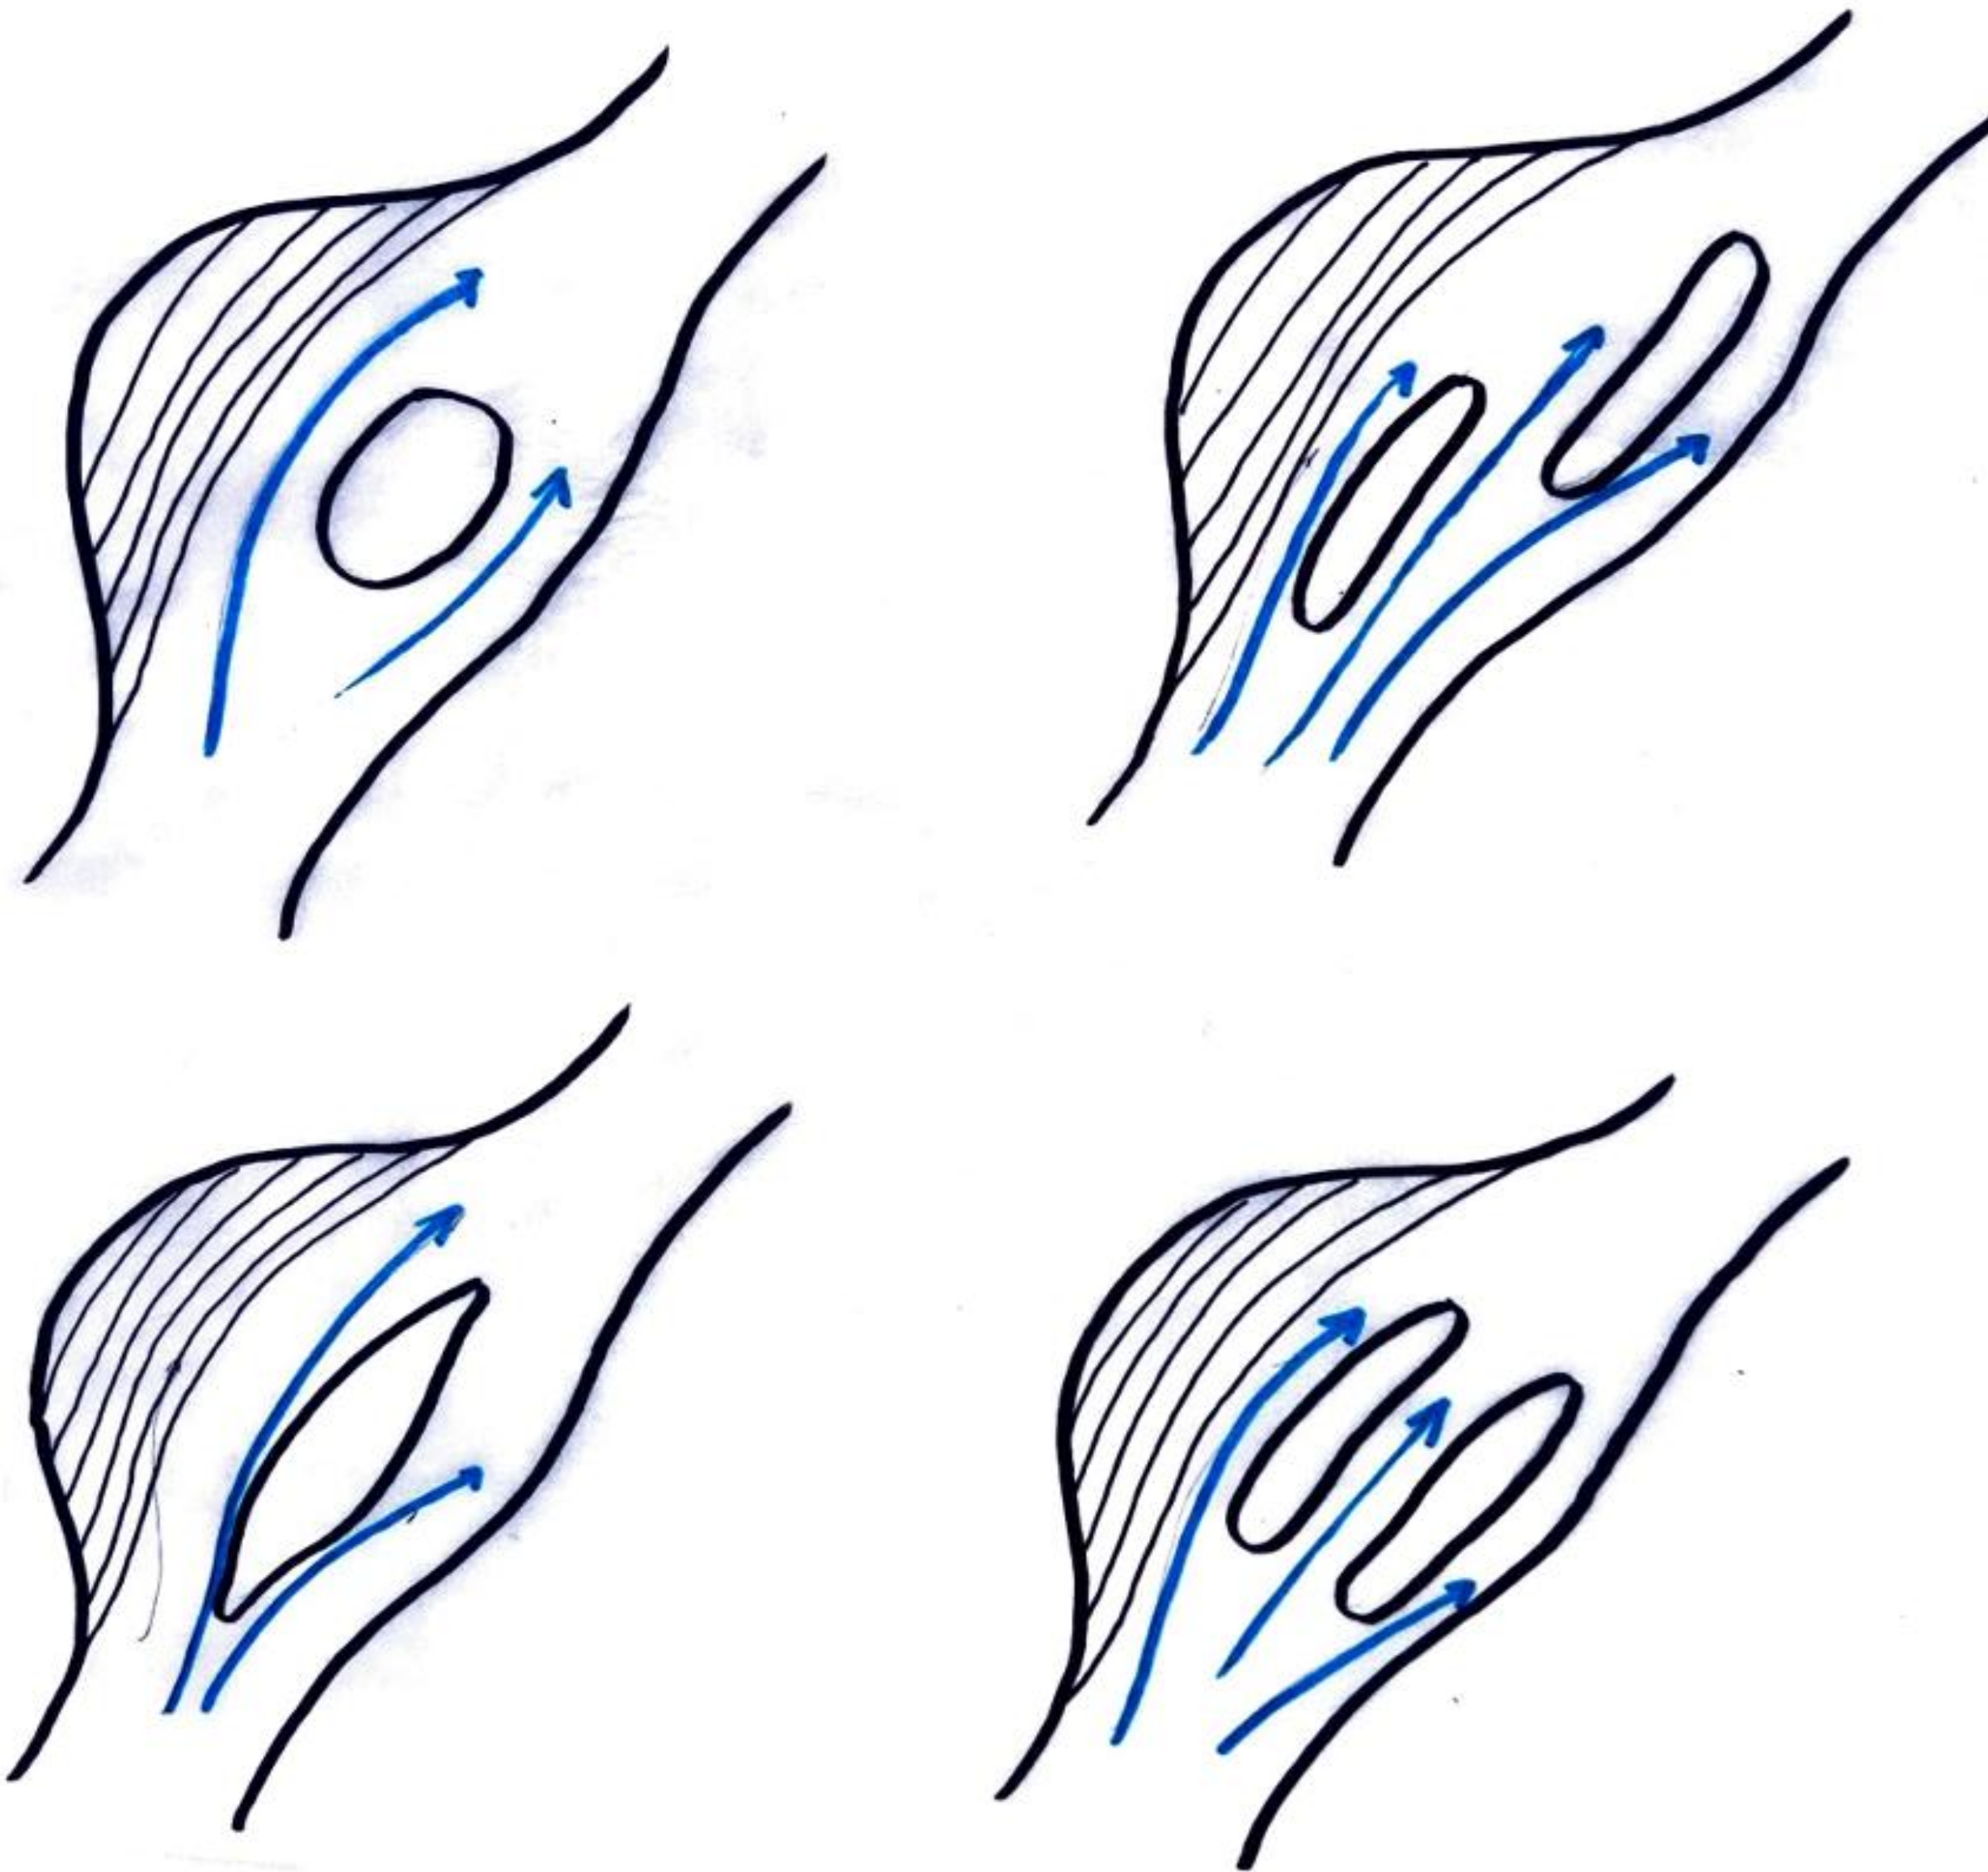

rise and fall

keep in place

## CONCEPT IN USE

## ISLAND EXPERIMENT

How will the shape of the island alter the current of the river? And how will it effect the floating spaces of the spatial expansion?
